Transmissions and locity Qualities, etc., given.

Ship-Improvement, — Vain are all the leachings of Science and the marvels of art, heless applied to perfecting ourselves and unproving the race. It is for this we "live, time, and have our being," and to this result mo Parenchosof incas Journal, will tend.

Happy Homes are the result of a normal education and development, and a life according to the laws of life. Their are symbols of all that is good in "life to come," and the real Heaven on Earth.

The Phrenological Journal, for 1873 will keep pace with the march of events, and while "holding fast to the good," will endeave to lead the public mind in many thing new and true.

Teins:—Monthly, at \$3 a year, in advance, single numbers, 30 cents. Claiss of the subscription. No family should be without a copy. We want agents in every town in the United States, and no agent can fail to do well with this book. Our terms are liberal. We give on agents the exclusive right of servicing.
